

FOR PROFESSIONALS

PROTEIN+

CLASSIC TASTE, MADE WITH 100% PLANT-BASED PROTEIN.

Good Source of Protein

10g protein per 2oz serving
17g protein per 3.5oz serving

Good Source of Fiber

5g of fiber per 2oz serving,
10g of fiber per 3.5oz serving

Barilla Protein+® is the pasta taste guests love, with the protein they want. Made with ingredients like semolina, durum wheat flour, lentils, peas, chickpeas, and barley, it is certified vegan with no additives, made here at home. Protein+®: It's a win!

PROTEIN+® IS PERFECT FOR:

C&U dining, including athletic dining programs

Senior living and healthcare

Military

Restaurants with better-for-you options & kids menus

Employee dining and corporate catering

Protein+® offers the benefits of plant-based protein and fiber while maintaining the pasta taste you love.

THE PLANT-FORWARD MOMENTUM IS STRONG:

Better for the planet

Saves costs over animal proteins

Connects with growing consumer demand

67% of Americans

are trying to consume more protein, making it the most highly sought nutrient by all ages.*
